Barnes Butte Families,

What a great way to go into the last days of October. Your Dean of Students, Mr. Jeremy McLean, has worked very hard with our Positive Behavior Support Team, to get our Badger Bucks into motion. The students are so excited each week to cash their Badger Bucks in for different things they can buy. Badger Bucks can be earned in many ways. One way is to be at school each week and not be late or absent. All students get a Badger Buck for this. Students who are referral free, they also get a Badger Buck. Adults are also offering Badger Bucks when they see positive behavior in other areas. This can include the playground, specials, being helpful, safe, respectful and responsible. Our PTO will be looking for ways to support this system. We are really on to something here. What a great way to reinforce what we all want from our students. You can be a part of helping your child earn Badger Bucks by getting them to school each day and on-time. This will be an exciting year for our students at Barnes Butte Elementary.

See you at school.

Your Principal,
 Jim Bates
