Barnes Butte Families,

I am so very proud of the students. This first quarter of the year has passed by quickly. When I see your students in the halls or classrooms it gives me great joy to reinforce Positive Behavior and support the work of your teachers. It's obvious all the attention and effort to develop positive behavior is really paying off. We always will have room to get better, but overall the kids are really giving it their best. The tone of the classrooms, halls and playground are in line with what we want at school. The work you do at home to reinforce a safe and respectful climate at school is just as important. I am asking that you visit with your student on purpose about this topic. If you are talking to them regularly about your expectations, we stand the best chance of keeping the momentum going. We expect students to **Be Safe, Be Respectful and to Be Responsible**. This language works for every area at school. As your kiddo heads out the door every day or as you drop them off at the curb in front of Barnes Butte, send them off with a parting **"Remember to be respectful today."** Saying that once or twice a week will really pay off. Thank you for your intentional support.

Your Principal,
Jim Bates

Mrs. Durham, Mrs. Smith, Ms. Lysne, Mrs. Deedon

Meet the 1st grade team!

We are passionate about creating scholar students who continuously grow into respectful, responsible and safe community members. Ms. Lysne is the new addition to our team and has the privilege of teaching the Dual Language class. Her hobbies include dancing and going on walks with her dog, Mr. Muffin. Mrs. Durham has been teaching for 12 years and was lucky enough to teach in every grade school building in Prineville. She lives in Bend with her husband, children and pet turtle, Cowabunga. She likes to spend her summers camping with her family. Mrs. Deedon has been teaching for 16 years. She lives in Prineville with her husband and two children. In her free time she likes to be creative and craft. Mrs. Smith has been teaching for 22 years, 17 of which have been in Crook County. She lives here in Prineville with her husband and two boys. She enjoys running with her dog, Ahsoka. We are excited to have the opportunity to teach at Barnes Butte Elementary. Go Badgers!

Join us for Badger Run Club

Every Tuesday and Thursday (weather permitting) many of our Badgers are participating in Badger Run Club during the lunch block out at the track. We want families to know that they are welcome to join in this healthy activity, volunteer or simply encourage students. We know that the more parents are involved in the school, the more successful students will be. We hope you can come be a part of this awesome Barnes Butte community! See the lunch schedule for your students Run Club time. Students also participate during bonus specials time as whole grade levels from 2:25-2:55 each day. This information is located on the master schedule posted at school.
