Badger Buck Store Needs Donations

Wow, I can't believe we are almost half way through the school year. This year is flying by and I hope by now you have heard about the Badger Store from your child. If not, please ask your child to tell you about the Badger Bucks and the store. The Badger Store has been a huge success. Our student behaviors have been improving because students have been trying to earn Badger Bucks to spend at the store. I believe student attendance has also improved due to fact students want to earn Badger Bucks for perfect weekly attendance. While our teachers are handing out Badger Bucks like crazy, it's been hard to stock the Badger Store with new bigger items, which is due to our limited funding. PTO has done a great job so far of funding but we could use your help. If anyone would like to donate some funding, or knows of a business that would like to donate funds to PTO to help pay for our Badger Store, it would be greatly appreciated.

Thank you,
 Mr. McLean - Dean of Students

1st Grade Explores the Oceans

This month the 1st graders kicked off their 2nd storyline...OCEANS! They have been given a challenge from Oceanographer Josie, to create and learn about oceans. They have spent the last two weeks creating their own oceans in their classrooms. In the next couple of weeks they will focus on creating animals in their oceans and becoming oceanographers. This storyline promises to be wet, wild, and fun.
