Barnes Butte Families,

I enjoy seeing each of you when you connect with school. School is about learning to become a responsible and knowledgeable citizen. School is also about coming together as a community and doing things together. I hope you have seen that I believe academics are important and that our events together are important. It can be at conferences, a reading night, a family dance, a running event to raise funds, and of course, our Annual Carnival. Your wonderful PTO has been hard at it getting ready for Barnes Butte's first ever **Spring Carnival**. **They need your help**. I need your involvement so that our first Carnival on **May 20th** is a huge success and not just as a fundraiser. The most important thing about our Carnival is the fact that we will all be here having fun and making some memories. Please consider taking a support role in some way. Come to our next PTO meeting on **March 2nd** in the BBE library at 3:30 and 6:00 pm. Ask all the questions you need to feel informed. You won't need to be a lead coordinator. Your help is needed to take on smaller but very important tasks. Our first Carnival will be a huge success if you are a big part of it. If you have any questions at all and you can't make the PTO meeting, just call Barb Schultz, Super Secretary, and she'll take your name for the PTO to give you a call. Thanks for considering this, and I look forward to seeing you.

Your Principal – Jim Bates

Hello from the 3rd Grade Team!

We as a team have loved working together this year and learning about one another as individuals. It has been our pleasure to get to know each of Barnes Butte's students and we enjoy working with the 3rd graders! We all love teaching, but when we're not... Mrs. Johnson loves listening to musicals and going to

plays. Mrs. Cristiano enjoys being outdoors and spending time crafting. Mrs. Fall is enthusiastic about teaching dual language and is working toward her PHD. Mrs. Mattioda is busy all the time with family but when she can, she likes to quilt and play piano.

Please Slow Down! 20 MPH

Many children walk and ride their bikes to school. When dropping off and picking up students please go slow and watch for kids both on school grounds and in the adjacent neighborhood. Be sure to park in the parking lot if you are not in your vehicle.
