Monday, March 28, 2016

Hello Barnes Butte Families,

These days after spring break signal the final months of school for the year. These are some of the most exciting weeks because the kids have learned so much and they are feeling the most confident with their academics. We see lots of progress in all academic areas and it's enjoyable to watch the students reaching their high point socially. There are many exciting larger events that occur in April and May. One in particular that I'd really like to draw your attention to is our **Badger Dash**. Our students get sponsors for this event and one of the main goals is to raise money to pave our gravel track area. The track is already prepared to have the blacktop laid down on top of the gravel and framed by the concrete edges that are in place. I would really enjoy seeing many parents on **Badger Dash Day, April 29th**. We will bus kids by grade down to our CCHS track area. It will be a terrific time together. **Consider being a sponsor of the event.** Our sponsors have some special privileges. Give the school a call at 541-416-4150 and talk with Mrs. Barb Schultz. She will tell you all about the different ways you can help. You can also go to info@barnesbuttePTO.org for details. If we are able to raise the funds to pave the track area, we will have the event here at Barnes Butte next April. What a wonderful day that would be and you could take great pride in knowing you made that happen. Thank you for considering being at our Badger Dash and in particular considering being a sponsor of this very important event.

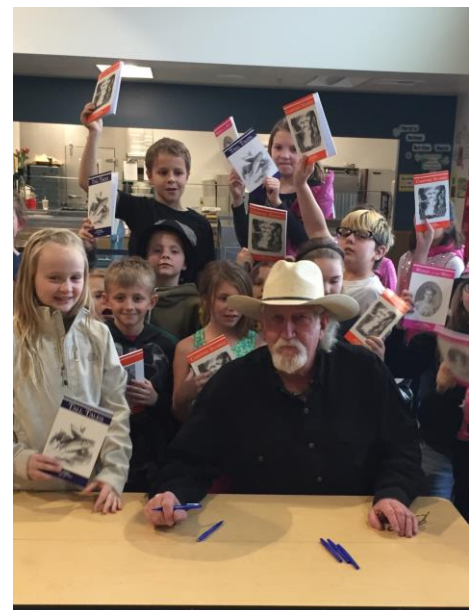

Your Principal – Jim Bates

3rd grade student, Delaney Engstrom from Mrs. Mattioda's class earned over 100 Badger Bucks. She went shopping at the Badger Store and purchased a MP3 Player for 100 Badger Dollars! Way to go Delaney!

Well Known Author, Rick Steber, Visits 4th Grade

While the fourth graders were traveling along the Oregon Trail, Rick Steber came to visit. We were excited to learn that he even traveled the Oregon Trail for a time to research one of his books! Mr. Steber brought and autographed a book for each 4th grade student. He is an amazing story teller and the fourth graders enjoyed meeting him and listening to his stories. A great time was had by all!

Fifth Grade Study Revolutionary War

The fifth graders recently completed their Revolutionary War study. As a part of their study, the students each wrote a biography on an important person from the Revolutionary War. To accompany their biography,

the students made a hanger person that represented who they had studied. The kids all did an amazing job and learned many interesting facts about their person. For example, did you know that Reverware is named after Paul Revere?

The fifth grade staff and students would like to thank Ochoco Cleaners for donating the hangers for this project!!

DAILY COLOR SCHEDULE	
Tuesday	Red
Wednesday	Blue
Thursday	Green
Friday	Orange
Monday	Red
