THANK YOU, PTO

Barnes Butte Families,

In these final four weeks, I hope to see you often. That may be as you arrive, perhaps when you volunteer or as you pick up the kids at the close of the day. If your busy schedule keeps you from volunteering in the classroom, consider committing to helping out at the Carnival on May 20 in the evening. No matter what you can do, it all makes a difference.

In the coming weeks, please be mindful of a few things. Specifically, in the parking lot we need to follow the original drop off and pick up plan. Students may only be dropped off in the zone designated along the red curb. The middle parking lot area is for pulling in, parking, dropping off at the middle sidewalk or walking your student into school. Drop off and adult supervision begin at 7:40. The doors also open at this time. Drive slowly and thank you for the extra caution every day. We can all get in a hurry. The school parking lot is a place to exercise our best caution.

Lastly, remember to fill out your transfer forms if you live in the Crooked River District and desire to attend Barnes Butte next year. It needs to be done each year. Requests will be honored based on availability. Both schools will be terrific places to attend so it's a win-win.

I hope to see you at the school.

Your Principal,
Jim Bates
