## 1st Grade Hikes Ironhorse

During our 1st grade campground storyline the students have been learning how to not get lost and what to do just in case they do end up lost. We have had all kinds of experts visit us to help us learn about Crook County Search and Rescue, the Hug a Tree program, and we even got to meet Annie, a Search and Rescue dog! Mr. Frazier, who does search and rescue on horseback, came and taught the kids how to use a map and compass as tools to keep them safe. Each student received their own compass and we then took off for a hike. As we explored the Ironhorse Trail we learned how to orient ourselves with our maps and keep track of our directions.
