### Fourth Grade Experiences the Oregon Trail

Fourth grade spent two days exploring Eastern Oregon and the Oregon Trail. Students left early Thursday morning and had a fun-filled journey East that included a stop at the Painted Hills. They then continued on to Baker City where they visited the Oregon Trail Interpretive Center, hiked on part of the actual ruts left from the Oregon Trail, and even went swimming. Friday the journey continued with a stop at the Baker Heritage Museum. Then they moved on to Sumpter to tour the Sumpter Dredge, pan for gold, learn about beaver habitats and study the economic history of gold. It was a fabulous field trip! Fourth grade teachers would like to give a huge **THANK YOU** to the many chaperones who made this possible, and our wonderful bus drivers Donnie and Larry!

Please check our **lost & found** that is located in the foyer. It is full of clothing!

*Any items left will be donated.*
