Barnes Butte Families,

I have parents ask frequently for ways that they can provide meaningful help for families in need within our elementary schools. Here are a few ideas to consider to directly impact families in need in a positive way.

- Purchase a treatment kit for a family that is impacted with head lice.
- Donate money for or provide a laundromat card.
- Purchase new clothing that is needed on a regular basis for a variety of reasons. This includes, socks, pants, underwear and more.

I am happy to talk with you about these opportunities. Please give me a call at school.
 Most sincerely,

Jim Bates – Your Principal
