Kindergarteners are Under the Sea!

If you do not see the kindergarteners for the next couple months, don't worry! They are under the sea studying the ocean, plant life, and ocean animals. The students are becoming marine biologists and eager to answer all your ocean questions.

Students Receive Kindness Virtue Awards

The Barnes Butte Badgers celebrated the virtue of kindness this week in our first Virtue Awards Assembly. One student from each classroom was nominated by their teacher to receive a certificate from Mr. Bates during an all school assembly. We are excited for this new tradition at Barnes Butte Elementary, and look forward to celebrating a variety of virtues with families for years to come. During the month of May teachers will nominate one student for the virtue of perseverance. Well done Badgers!
