NO SCHOOL MONDAY, MAY 27 MEMORIAL DAY

Thank you to all our military families.

3rd Grade Study the Rain Forest

The third grade students recently had a Junior Biologist's Symposium for their rainforest Storyline culmination.

Each third grader became an expert on a rainforest animal and gave a TED (Technology, Engineering, Design) Talk about their animal and how it lives in the rainforest. Second grade students and our parents really enjoyed hearing our expert TED Talks, and our students loved sharing all they have learned!

**Thank you for donating to our Badger Dash .
 Badger Dash Prizes delivered to students the week of June 3.
 Grand prizes will be awarded at the Virtue Assembly.**

Parent Input Forms Available for Classroom Placement for 2019-2020 School Year
 Forms available at the office.
 Deadline to turn in form is June 1, 2019

Wild Fest Great Success!

3rd grade students didn't let a little rain get in their way of having a blast at the Wild Fest Event on Tuesday. The highlight station of the day was the salmon obstacle course. There students got to experience the journey a salmon makes to reach the ocean, they quickly realized how difficult it was. Students also practiced their fine motor skills while twisting straw to create a rope. The macro munchies station allowed students to act as scientists and examine macro organisms from our very own Ochoco River. What a great learning experience for our students!

What's Happening

- Tues. May 21 4th Gr. Chimney Rock Trip
- Mon. May 27 No School - Memorial Day
- Wed. May 29 2nd Gr. Dinosaur Culmination
12:45 – 1:45 Bowman Museum
