Happy Retirement Steve!

Steve and his buddy Conner.

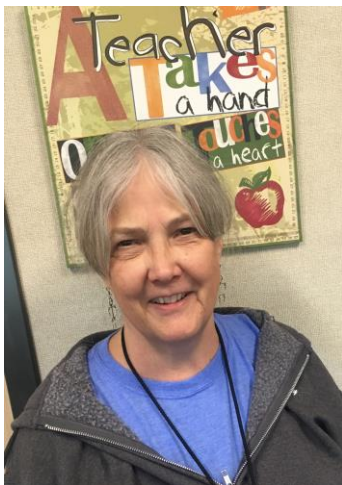

Steve Heier has been an elementary school fixture for 23 years. He is our building engineer at Barnes Butte. He began his career when Cecil Sly Elementary opened and worked there until the

school closed and then he opened up Barnes Butte. Steve has always enjoyed the kids and kept our buildings running! We will miss Steve and wish him well as he drives off into the sunset in his 5th wheel.

CONGRATULATIONS STEVE!

Good Bye Mrs. Finley

Bonnie Finley our fine Special Education Teacher is retiring after 45 years in the education business.

Mrs. Finley has worked in Bend, Salem and 21 years in Crook County.
