Students Complete the OBOB Charm Challenge

Way to go to our OBOB Charm Challenge participants. Each of these children read all fifteen of the 2018-2019 OBOB book selections and passed AR tests on them. An Accelerated Reader (AR) test is a comprehension quiz taken on computers here at school. Thanks to a generous grant donation from the St. Charles Foundation, these children earned the privilege of attending a private showing of Aladdin at the Pine Theater followed by a trip to Subway to pick out lunch. Well done kids! We look forward to next year's OBOB competition here at Barnes Butte Elementary.
