Like Us On Facebook

Barnes Butte Elementary and Crook County School District both have Facebook pages. Please be sure to like us as BBE and CCSD post frequently. It is a great way to stay in touch with your child's school.

Welcome, Mr. Ringhand!

My name is **Caleb Ringhand**, the new school counselor for Barnes Butte. I am excited to let you know about some of the programs we have this year. Every school day, I have the opportunity to go into classes and teach social and emotional learning lessons. We talk about things like decision making, empathy, active listening and the structure of the brain. These lessons allow **all** students to engage with developmental learning.

Small groups are another way we are serving our student population. In small groups we build on classroom skills such as rule following, impulse control and mindfulness. Small groups provide students an opportunity to further develop their skills, while providing them a space to belong and express their thoughts and feelings. Some of the groups are: **“I Can!” Managing Anger, Stress and Anxiety, Life Changes** (death of a loved one), **Family Changes** (Divorce or family split), and many more. Groups are offered on an “as needed” basis for our kiddos who really need the extra support. If there is a group from which you believe your child would benefit, please contact me at caleb.ringhand@crookcounty.k12.or.us.

We continue to serve our community through the **Weekend Backpack Program**, which provides lunch food to students on weekend days. Due to COVID-19 the need for this program is higher than ever. If your child needs the Backpack Program, please contact the school or message the above email address. I am grateful for the opportunity to serve this school and I am looking forward to the rest of this unique year.
