Crook County School District. FAN links children and families to critical social supports in the community. Working through one dedicated FAN advocate, a child or parent can be referred for dental work, job opportunities, clothing, rent assistance, school supplies, childcare support, health insurance and more. FAN helps connect families to what they need to move past roadblocks, so that their children can stay in school and benefit from the advantages of a good education. Please contact your **FAN** advocate **Vanessa Nolen 541-408-4368** if you have any questions or needs.

Mrs. Yuma Joins Our 1st Grade Team!

My name is Dina Yuma and I have grown to love Barnes Butte students and staff while being a substitute teacher over the last five years. I am excited to be a part of the first-grade team. It is wonderful to be back in the class surrounded by students who bring a smile to my face daily.
