Students in Ms. Hillis's 4th grade class made multiplication cootie catchers to practice their math facts. Students had loads of fun combining Art and Math!

Lost and Found

Lost and Found Cart will be in front of the building (outside) for parents to check for lost clothing this week.

Non-claimed clothing will be donated.

Reminder: **School immunization exclusion day is Wednesday February 17.** If you received a notice from the school nurse and/or the Crook County Health Department please get immunizations completed and bring in records to the school before February 17. Students not up to date on immunizations will not be allowed to attend school without the immunization(s) or paper work for exemption.

Mark Your Calendar

Thurs. Feb. 25	Career/College Dress Up Day
Fri. Feb. 26	Students Stay Home – CDL Comprehensive Distance Learning
Mar. 1 -5	Classified Employees Week
Fri. Mar. 19	Pajama Day – Wear your PJ's to school!
Mon. – Fri.	No School
Mar. 22 – 26	Spring Break

Comprehensive Distance Learning (CDL)

Date: Friday, February 26 is a **student stay home** CDL Day - Comprehensive Distance Learning

Why: The purpose of this shift is to allow flexibility for CCSD staff to get a second vaccine.

Impact: K-5th classroom teachers **will send work packets** with students the day prior (Thursday, Feb. 25th) to CDL. No digital devices will be sent home.

Support: Families can call the school at **(541) 416-4150** or reach out to your students' classroom teacher directly from **8-3 pm** for support.

Science Fun in 5th Grade!

The last 3 weeks 5th graders have been participating in a virtual field with Deschutes forest rangers and conservationists. They have learned about Central Oregon's watershed and the incredible journey of snow. Here's a picture of some of the watersheds that were created and tested to show what happens to snow when it melts! Be sure to check out **Project Snow Virtual Explorations** through www.discoveryourforest.org
